DIRECTORY OF DENTISTS

Choosing a Dentist

1st - Select an available Family Dentist from this directory.

2nd - List the dentist's name on your enrollment form along with the ID # (see column next to the name). Dentists not available to new patients are indicated with an * in place of the ID #. If you are not currently a patient, you may not select these dentists. Some plans may allow each family member to select a different dentist - your enrollment form will indicate if you have this option.

3rd - If you are unable to choose a dentist at the time of enrollment, you must call the Customer Service Department on or after your effective date of coverage, and select a dentist before you can make an appointment.

Changing Your Selected Dentist

At any time, you may select another available Family Dentist by calling your Customer Service Hotline during normal business hours and requesting a change of dentist. (Requests must be received by the 10th of the month to be effective the 1st day of the following month.) Updated directories of available dentists can also be obtained from your Customer Service Department

Referrals to Specialists

To receive the services of a specialist, you may need a referral by your Family Dentist to a participating specialist. Prior authorization from the Referral Department is required for some plans. Please consult your Schedule of Benefits.

Missed Appointments

You must give a 24-hour notice to your dentist's office, or you will be charged a missed appointment fee as listed in your Schedule of Benefits.

Some contracted providers may not accept members on all plans. Please verify your coverage with your provider before scheduling an appointment.

DIRECTORIO DE DENTISTAS

Cómo escoger a un dentista

1- Escoja a un dentista de familia disponible de este directorio.

2- Escriba el nombre del dentista en su formulario de registro, junto con el número de identificación (refiérase a la columna junto al nombre). Los dentistas que no están disponibles para nuevos pacientes aparecen marcados con un asterisco en lugar del número de identificación. Si actualmente usted no es paciente, no podrá escoger a estos dentistas. Algunos planes permiten que cada miembro de una familia escoja a un dentista distinto - su formulario de registro le indicará si usted tiene esta opción.

3- Si usted no puede escoger a un dentista al registrarse, deberá llamar al Departamento de Servicio a los Clientes en la fecha que se inicie su cobertura o después de esa fecha y escoger a un dentista antes de poder hacer una cita.

Cómo cambiar al dentista que había escogido

En cualquier momento, usted podrá escoger a otro dentista de familia disponible, llamando a la línea dedicada de su Servicio a los Clientes durante horas de oficina regulares y solicitando un cambio de dentista. (Las solicitudes deberán recibirse a más tardar el día 10 del mes para que puedan entrar en vigor el 1^{er} del siguiente mes.) También podrá obtener directorios actualizados de los dentistas disponibles de su Departamento de Servicio a los Clientes.

Referencias a especialistas

Para recibir los servicios de un especialista, necesitará que su dentista lo refiera a un especialista participante. Ciertos planes requieren la autorización previa del Departamento de Referencias. Por favor, consulte su lista de beneficios.

Citas a las que no se acude

Deberá llamar al consultorio del dentista con 24 horas de anticipación, o de lo contrario se le cobrará una cuota por la cita a la que no acudió, de acuerdo con lo indicado en su lista de beneficios.

Ciertos proveedores contratados pueden no aceptar miembros en todos los planes. Por favor verifique su cobertura con su proveedor antes de hacer una cita.
